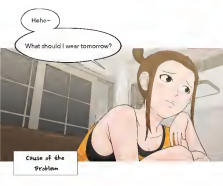
Hmm..?
Don't you think there's been a little too many clients lately?
"Little too many" is a big understatement! There is more than...

After Budgie got Parvo, I thought I'd have to say goodbye to my little friend TYT.
But thanks to the vet who showed his efforts for an entire week to treat Budgie, Budgie is all better ^^/

I'll be going back for Budgie's vaccination tomorrow
Although the location is a little difficult to get to, it's hands down the best animal hospital ever.



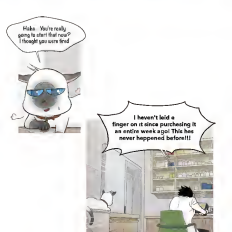
HEART OF A COMPANION

Author/Artist : Dae Eui Hong

I...I've never worked so hard in my entire life...
That looked like the last patient for today. I think?

N...no... I can't...

Re... st...
I need... rest...



I need rest!!
KING TIGER - 1
TADA
KING TIGER-1

Haha... You're really going to start that now? I thought you were tired.
I haven't laid a finger on it since purchasing it an entire week ago! This has never happened before!!!

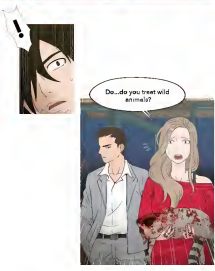
Kekeke...
.....

Doctor! Are you in?!
!

Doctor!
Doctor!!!
Shiver
Man—I Seriously?! We can just leave it and go!
You can go by yourself! I didn't ask you to stay!
?

Uh... How may I...
Ah!

Drip
Drip
Drop



!
Do...do you treat wild animals?

No, no... Yeah, we already left. Was everyone arrived?

Uhh... No~ We left on time.
You know the third road? The one behind the mountain. Yeah, when the tunnel is

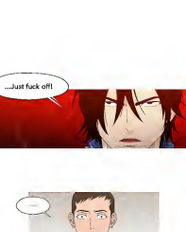
We were passing when a raccoon or whatever suddenly came out...
Mmm...hm. Minyong is here too. Yeah, course we were shocked

Man... It suddenly jumped onto the road... if we tried to avoid it, we'd probably be in an accident
Yeah... No one's hurt but my car bumper's a little dented

Ah...the more I think about it, the more it pisses me off...

I don't know. Minjung insisted on picking it up so we're in the animal hospital

You know Minjung. She can't turn a blind eye to pitiful creatures.
Ah... Gotta go. Doctor's out.
...Mmm. Yeah. We'll be there soon



D..Doctor. The raccoon...

...I'm sorry. It was already too late.

Man. What a waste of time. Did you really have to run it open to revolve that? We can leave now, right?
Do we need to pay the treatment fees or something?
No...

...Just fuck off!

...
What?

Didn't you hear me? Fuck off.
...Ha?

Sigh... Assholes... What the

Oi...!
Do you usually speak to your clients like that?

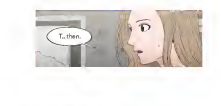
...Client? Who?

Ahem!

...I don't blame you for the roadkill accident itself.

Scene dreams was traumatized by roadkill accidents...
and like you said, trying to avoid it could have led to a bigger accident
But... you know what?

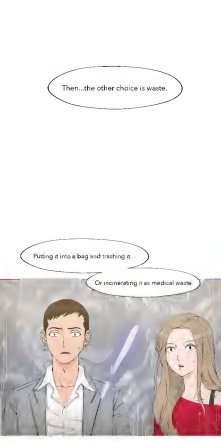
Well...they bury it over there in the mountains or something?
That's illegal in our country.



T...then.

Funeral expenses for a pet ranges from five hundred...to a thousand dollars.
Who...who do you think you're trying to kid? Funeral expenses for an animal...!!
It's true. Most people think the same way as you do.

Then...the other choice is waste.



Putting it into a bag and trashing it.
Or incinerating it as medical waste.

That's how our country deals with even pets. So of course the same goes for wild animals. They toss them into landfills.

...
...Do you know why I'm telling you this?
Of course no one blames you or will ask you to take responsibility for the death of a raccoon.

Do you know how animal corpses are disposed?

But at least.. feel sorry instead of angry.

You've turned a living creature into trash.

The least you could do ..
.. is have some sympathy.

..Be met.

Yeah I should..

..Today was the worst..

Yes. Sir.

...We found it.

Yes...Yes.

Yes. Yes, sir.

...Are you guys ready?

Yes, sir.

...Let's go!
